My office is located in the Saxonville section of Framingham in the Pinefield Plaza shopping center, which includes a strip mall anchored by Robinson's Hardware as well as a separate retail/office building.

My office is in the separate tan retail/office building directly to the left of the strip mall, where you may see signs for Circle of Friends Preschool, Anderson's Driving School, and 4 Seasons Embroidery.

In the center of the building, you will see stairs leading to a set of dark colored double doors. You will find stairs when you enter those doors. Take the stairs and turn left at the top. I am the first office on the left, Suite B4. *(There may not currently be a suite number on the door, but you will see my nameplate).* Please walk in – no need to knock – and have a seat in the waiting room.

****Important note: Because there is a daycare/preschool in the same building, please drive slowly and carefully through the parking lot and use caution when backing out of your parking space.****
